TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said East Kingston on Tuesday, the twelfth day of March, next at two of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for the maintenance of the Fire Department, and any surplus not used for maintenance be set aside for a fire truck fund.

5. To see if the Town will vote to raise and appropriate the sum of $250.00 for Forest Fire Departmen to purchase needed equipment.

6. To see if the Town will vote to raise and appropriate the sum of $249.80 against the State appropriation of $1,665.31 for Class V Road Assistance.

7. To see if the Town will vote to raise and appropriate the sum of $150.00 to be used in conjunction with State and Federal Funds for the control of White Pine Blister Rust in woodlands.

8. On petition of Alfred E. White and ten other voters of the Town, to see if the Town will vote to accept as a public street or way commonly called George Street, located within the Town of East Kingston, or take any action relative thereto.

9. To see if the Town will vote to raise and appropriate the sum of $984.00 to buy Visiting Nurse services for the inhabitants of East Kingston from the Medicare certified Exeter Visiting Nurse Association and send one representative to serve on the Board of said Association.

10. To see if the Town will vote to authorize the Selectmen to purchase insurance to cover the Town Police Department while on duty. Necessary funds to be taken from cash on hand.

11. To see if the Town will vote to accept the reports of the Town Officers and Auditors as printed in the Town Reports.

12. To transact any business that may legally come before this meeting.

Given under our hands and seal, this twelfth day of February, in the year of our Lord nineteen hundred and sixty eight.

Chief Richard Atkinson, Assistant Chief Robert Vatcher and Officer Joe Perry gave of their own time to attend a 42 week training course at the Rockingham County Police Training Academy at no cost to the town. The training was in all phases of law enforcement. This school was sponsored by Sheriff George Sampson.

The East Kingston Police equipment fund is clearing approximately $100.00 a month after expenses from the monthly drawings. This will enable us to buy one more radio and other equipment needed by the Police Department. All equipment purchased will be given to the town of East Kingston.

The department will look to your continued support throughout 1968.

Respectfully submitted,

CHIEF RICHARD ATKINSON

Report of Forest Fire Warden and District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M.—5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material—use the ash tray.

Activities of the Fire Department

for 1967

We had one (1) call for oxygen.

Participated in 3 parades.

Sent men to Fitzwilliam, N.H. for training in fire fighting.

Had a course for 7 weeks by a State Instructor. The course was on General Fire Fighting Practices.

Held 24 training meetings, total of 110 hours.

Burned 26 acres on request.

Someone is in the Fire House every day of the year to chcek and make sure that equipment is ready for immediate use.

I would like to thank all the people of East Kingston for their support and for the prompt calls for help that resulted in the saving of several homes.

A thank you also to Homer Boudreau, who has made housing space available for our fourth fire fighting vehicle. This is indeed appreciated.

Respectfully submitted,

ROBERT BELCHER,
Chief

Report of The Superintendent of Schools

To the School Board of East Kingston, N. H.:

It is with mixed emotions that I submit my twentieth and last annual report as Superintendent of Schools.

I take this opportunity to express my sincere thanks to the members of the school board, past and present, teachers, supervisors, Trustees of Brown's Academy and to the citizens for the support given me during this period of years. I shall always follow with interest the progress of the schools with which I have been so closely associated.

The school year 1967-1968 began with the following teaching staff:

Mrs. Margaret Tilton, Principal, Grades 3-4

Miss Carol Hanson, Grades 5-6

Mrs. Blanche Loch, Grades 1-2

Mrs. Eleanor Henry, Music

Mrs. Virginia Holder, Nurse

Mr. Harold Matava, Handwriting

There was one teacher change this year. Miss Carol Hanson replaced Mrs. Betsy Bowman as teacher of grades 5-6.

The enrollment as of December 22 was as follows:

Grade 1—15	Grade 4— 9
Grade 2— 9	Grade 5—15
Grade 3—19	Grade 6—14

This is a total of 81 as compared to 86 on a corresponding date a year ago.

With the help of Title II of the Elementary and Secondary Education Act of 1965, a school library has been opened on a small scale. This is manned by volunteers who make the books available to the students one morning each week. It is hoped that the number of books can be increased each year.

The tuition rates for 1968-1969 as approved by the State Department of Education and announced by the Exeter School Board are:

Estimated Per Pupil Cost for 1967-1968	
Senior High Students	$606.62
Rental Charge	28.38
	$635.00

Estimated Per Pupil Cost for 1967-1968	
Junior High Students	518.23
Rental Charge	46.77
	$565.00

These estimated per pupil costs for 1967-1968 compare with the state average per pupil costs of $637 for high school and $549 for junior high school exclusive of rental charges.

The AREA Junior High School was opened to six hundred and thirty pupils on schedule on September 6. This is a very attractive and functional building and provides the students with a broadened curriculum. This building has made it possible to implement fully the AREA School Plan for the six school districts involved for grades 7-12.

The amounts of State Aid received by the East

Kingston School District for the last two year are listed:

	State Foundation Aid	Sweepstakes
1966-1967	$3,699.63	$2,173.65
1967-1968	$5,275.18	$1,244.58

Mr. Frederick King, Teacher Consultant for Supervisory Union No. 16, describes some of the work which he is doing as elementary school supervisor and director of curriculum as follows:

As a teacher consultant I must assume a leadership role in the process of curriculum development, curriculum balance, articulation between grades, divisional levels and communities, and integration among the various subject matter areas.

If I were to list a group of action words to describe the consultant's task, I would say they might include encourage, stimulate, support, facilitate, guide, influence, suggest, question, challenge, demonstrate, coordinate and lead as I work with teachers.

Last fall at the opening school meeting as teachers gathered for the beginning of a new year I called for new aspects in learning that would bring about a vitality so much needed to successful classroom teaching.

We know, with considerable certainty, that the world of today's children will see new and changing patterns of social organization. One of my main tasks is to join with teachers in examining possible changes and to take a leadership role in channeling these changes into educationally sound procedures.

The school holds a key position in the survival of our nation. A number of projects and pressures are appearing at various levels. The role of the teach-

er consultant as a curriculum leader takes on new importance as one sees the "flood" of ideas from the "outside". An examination of the new is essential but at the same time we must strive for effective utilization of the already proven materials and media.

This fall a new social studies guide was placed in the hands of our teachers. It is now being used as a guide for social studies instruction. It is not final. We will continue to discuss and examine it through teacher meetings and discussion. The classroom will be the true test of the guide's ability to bring about a "new life" to social studies. This is but one example of curriculum study.

The teacher consultant is concerned with the learner and the process of learning. We want children to be actively involved in their education. We need to be more concerned about the development of human beings capable of creative thoughts and action.

We can build wonderful schools and provide a multitude of materials, but the teacher's job of helping the child see what is the full meaning of attaining skills and knowledge will be the key to the future of our nation. The teacher consultant joins with the classroom teacher in a "partnership" for better education. If I, as a consultant, can communicate with teachers the observations, understandings, perceptions, enthusiasms, and beliefs which I feel and we share together these concerns for better schools, then I have no doubt but a more effective education will be realized. I will continue to serve this community with this philosophy.

I trust I have in this report pointed out to you, as citizens, a kind of philosophy or spirit that prevails as I work with the staff It is not an item by item

account of what was done this past year, but rather a communication to you of an attitude and commitment I have in continuing to develop a better school program.

I call your attention to the reports and tables which follow.

Respectfully submitted,

RAYMOND A. HOYT,
Supt. of Schools

Report of School Health Services

January 11, 1968

School Health Services cover a wide field and are designed to include all that affects the well being of school children. This year physical examinations were offered to all children in Grade 5, new admissions who had not had an examination in the previous year, plus those children with conditions warranting the opinion of a physician, who would otherwise be unlikely to receive professional attention.

Vision screening has been carried out by volunteer mothers trained by the school nurse—a service of inestimable value making it possible for all children to have their vision checked each year. Screening for hearing loss is done by the school nurse on children in Grades 1-4 and 6, new students entering the school and upon any child with sysmptoms of possible hearing loss referred to the nurse.

Tuberculin testing was done on children of Grade 1, and Staff members in September. We shall, in cooperation with the N. H. Tbc. Association, continue this valuable diagnostic screening program each year and will include all allowed by the sponsoring Association.

Special emphasis on dental health has been evidenced by demonstrations, clinics and dental health education. In the summer of 1968, we hope to benefit from a new State sponsored program offering free dental examination, cleaning, and topical application of fluoride to all pre-school children, ages 3 to 6 years. This program is similar to the one presently sponsored by the Stratham P.T.A. available to all

school children for a nominal fee. Parents are encouraged to take advantage of this opportunity for their pre-school children.

Through education only can we expect returns from our efforts to establish good understanding and practices of health, hygiene, and safety. Special speakers, filmstrips, films, and other aids to enrich the health education curriculum are available — ideally for introduction in conjunction with special class units at a time when our material will be most meaningful to the students.

Pre-school clinic held on Registration Day is the best way we know of determining whether a child is physically and emotionally ready for Grade I. A registered state dental hygienist is to be present at this time to examine the child's teeth and consult with the parent. Opportunity to have your child brought up to date on his immunizations will be available.

This report would not be complete without special mention and commendation of a new service in the East Kingston schools this year. Children who need strengthening in certain areas — scholastically or emotionally — are being seen on a one to one plan by trained ***Volunteers,*** Mrs. Ardith Polletta, and Mrs. Judith Swanson. We are most grateful to these special people for their time and interest which we know has resulted in a more successful year for the children whom they have helped.

Parents are invited to contact the health nurse for conference when there is a health related interest which you may wish to discuss.

I am sincerely appreciative of the support of the School Board and Superintendent of Schools and all

individuals and organizations whose interest has helped to make our health service more effective and far-reaching.

VIRGINIA D. HOLDER, R.N.

Report of the Music Supervisor

To the Superintendent of Schools:

Classroom work throughout the year consisted of ear-training, rhythms, use of rhythm instruments, tonettes, the auto-harp and the new music charts, learning the fundamentals of music, note-reading, singing in unison and in parts, and participating in square and folk dancing. Record players are available for use in both schools.

In April the operetta "The Magic Charm" was presented at the Town Hall by Mrs. Tilton's pupils. With the proceeds books and records were purchased for the schools. Thanks are due Mrs. Tilton for her hard work in helping to make the operetta a success, to the parents who made costumes, and to all others who helped in any way.

We were happy to have parents and friends visit the music classes during Education Week in November.

In closing, I wish to thank Mr. Hoyt for his many years of help and understanding, the East Kingston School Board, the teachers and the parents for their cooperation throughout the year.

Respectfully submitted,

ELEANOR P. HENRY
